Blinds

The home is fitted with horizontal blinds on all windows and vertical blinds on the slider / patio door. Please observe the following instructions for using the blinds, failure to do so may result in damage with may result in you being charged against your security deposit.

To open the blinds:

1. Adjust the blinds to the open position using the chain cord.
2. Pull the blinds open gently using the rope cord.
3. Never open (or close) the blinds unless the slats are in the open position.
