## **Check Out**

Check Out time is 10am on the day of your departure. Provided there are no incoming guests on your day of departure Late Check Out can normally be accommodated. To arrange this please contact Global Resort Homes one day prior to departure on (407) 387 3030 who will be happy to accommodate if possible.

There are a few things we would ask you to do to make the process as smooth as possible and enable us to make the home ready for the next guests checking in.

Please strip all used beds.

Place all trash in the trash bin (refer to Trash section for details)

Place any dirty dishes in the Dishwasher

Close all doors and windows and make sure they are locked please

Set the Air Conditioning units upstairs and downstairs at 78 degrees. Games Room AC should be switched off.

It would greatly assist if you can launder as many towels as possible.

Finally have a safe trip home, we really hope you enjoyed your stay and do come back and stay with us and tell your friends and family about us, help yourself to business cards by the patio door or like us and share from our website [www.luxurychampionsgatevilla.com](http://www.luxurychampionsgatevilla.com)
