## Fire Extinguishers

The home is fitted with 2 Fire Extinguishers. 1 fire extinguisher can be found in the cupboard to the right of the refrigerator in the kitchen and the other in the cupboard directly opposite the TV in the upstairs Den. Both cupboards are marked with FIRE EXTINGUISHER INSIDE labels.

To use the extinguisher simply pull the ring to remove the locking pin, stand about 8ft back from the fire, aim the nozzle and squeeze the lever to extinguish.

If you have to use the extinguisher it's imperative you notify Global Resort Homes on (407) 387 3030 immediately.

BADGER Standard Stored Pressure Hand Portables

**ABC Multipurpose Dry Chemical**

### Suitable for Class A, B and C fires

The Badger Standard multipurpose dry chemical line of fire extinguishers are economical and extremely versatile. They are ideal for tackling the majority of fire risks typically found in commercial and domestic applications.
