Vacuum Cleaner

The home is equipped with a vacuum cleaner should you wish to vacuum during your stay.

The vacuum is bag less. To empty the dust container simply press the button at the top of the dust container close to the ON/OFF switch.

To remove the hose for cleaning in confined spaces or on the stairs simply pull the hose by putting your finger in the hole and pulling straight upwards.

Release dust container

ON / OFF Switch

To release hose enter finger in here and pull straight up.
